

How to find the Junior Scientist Event

The Junior Scientist event is being held in Collingwood College, Durham University. Parking for the event is located in the Maths and Computer Science car park on Hollingside Lane, which is an 8-10 minute walk to the College entrance (this is the closest free parking that we can offer).

Please note – if you have a Blue Badge, we can arrange for accessible parking.

Finding the car park by car

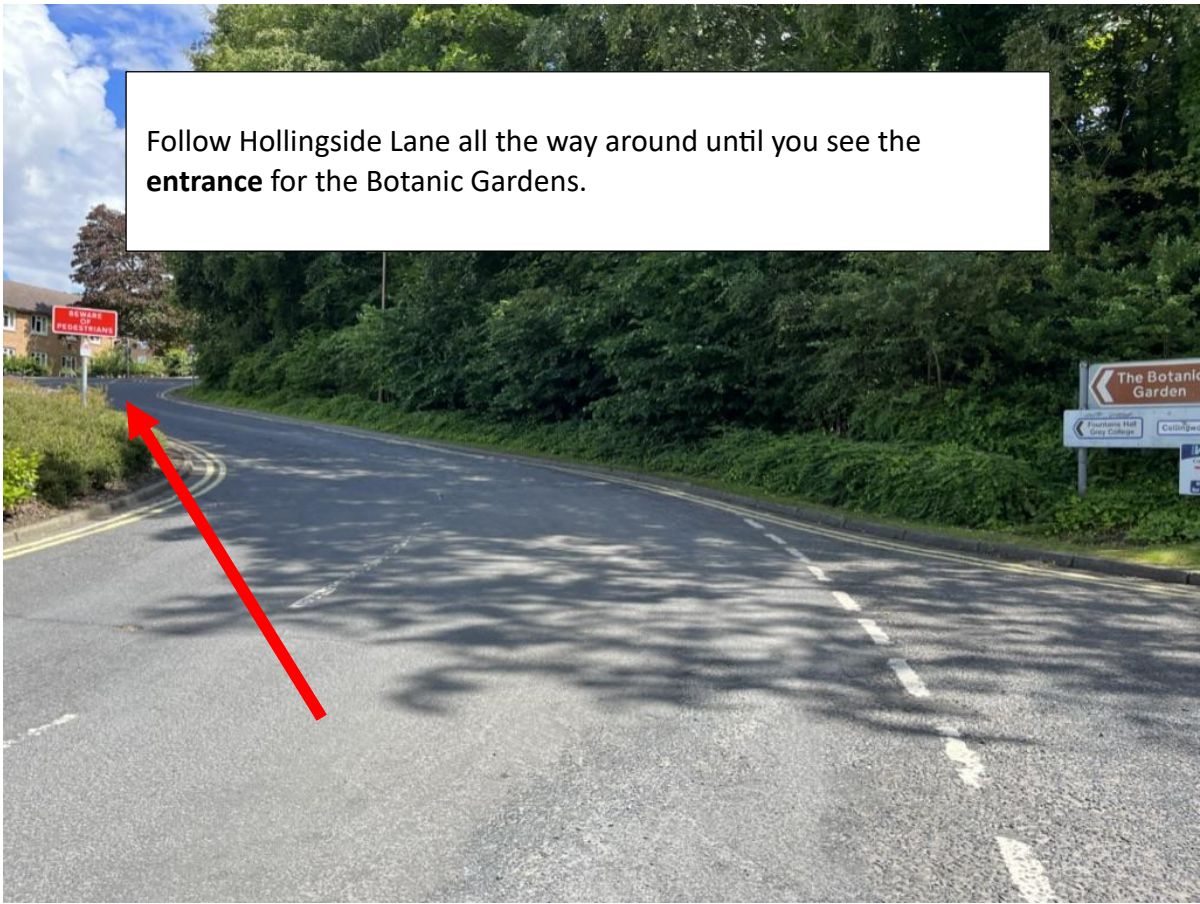

The Maths and Science Car Park is located just off Hollingside Lane. The postcode is: DH1 3TN.

The simplest way to guide to finding the car park is to follow signs for the Botanic Gardens, as the car park is located opposite the entrance to the Botanic Gardens.

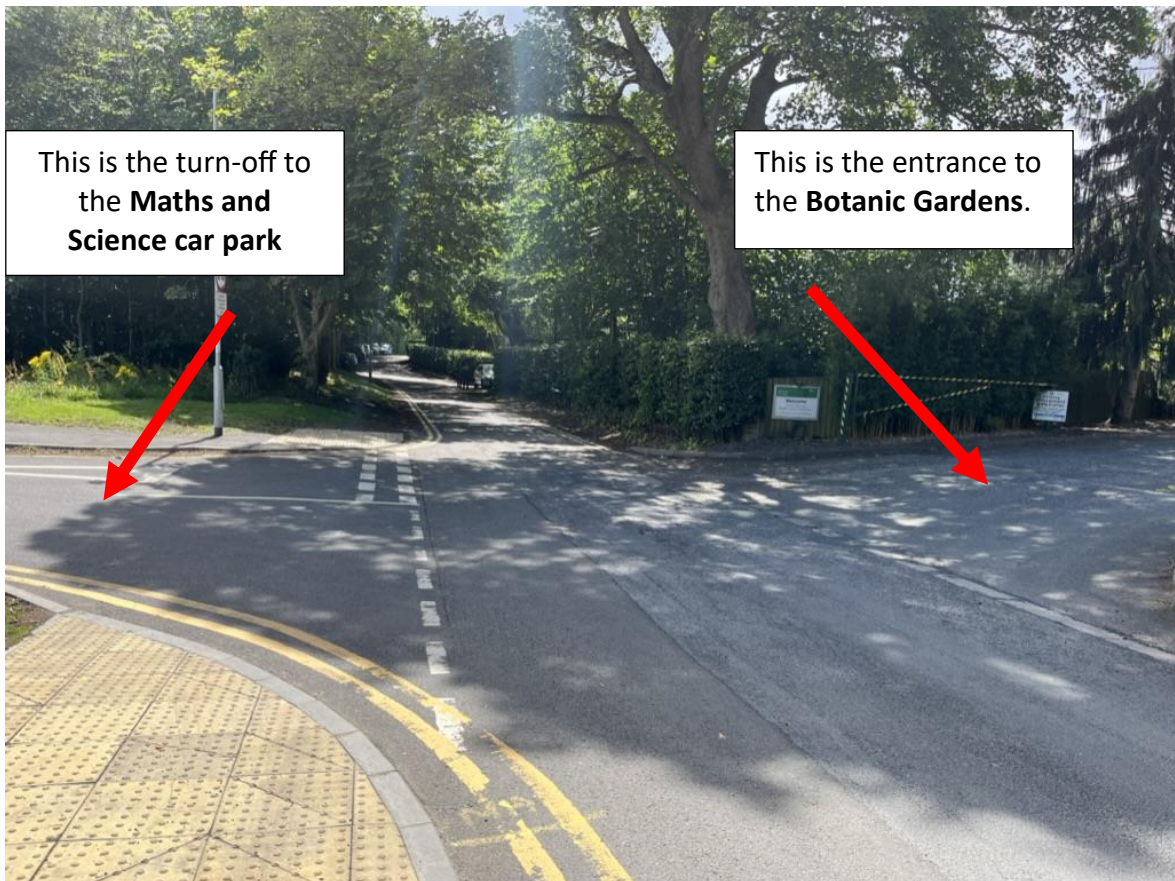

The Botanic Gardens are located on Hollingside Lane, which is a turn-off South Road (DH1 3TN).

You will see brown tourist road signs for the Botanic Gardens on South Road, and immediately when you take the turn off from South Road on to Hollingside Lane. .

The Maths and Science car park is located directly opposite this (it is used as the overflow car park for the Botanic Gardens).

The car park is located on the right hand side as you go up this small hill.

To make your way from the car park to Collingwood College

After you park you should walk back down along Hollingside Lane until you almost reach South Road (main road). Instead turn left towards Collingwood College (signage is there). Follow this road until you reach the turning circle where volunteers will help you sign in for the event.

Collingwood College is located at the top of this laneway.
